NO GO

# Gala

June 8–12, 2026

*a no-show event where your absence makes the biggest impact*

**1 in 6 children experience  
a developmental delay or disability.**

That could mean a toddler who isn't speaking yet, a child who struggles to walk, or a family navigating diagnoses like autism or Down syndrome.

These challenges aren't "someone else's problem." They belong to families in our neighborhoods, in our workplaces, and in our circles of friends. When a child struggles to communicate or reach developmental milestones, it affects an entire family—and the community around them.

**At Alta Mira, we work alongside families during those earliest years and throughout their lives: providing therapies, guidance, and support that help everyone reach their full potential.**

#### What Is Alta Mira's No Go Gala?

The **No Go Gala** is a fundraising campaign that invites supporters to donate the money they would have spent attending a traditional gala... without attending anything at all. *No tickets. No tables. No event costs.* Instead, every dollar goes directly to programs that support people in our community with delays or disabilities.

# Impact Over Extravagance

100% of your donation directly helps fund early intervention and lifespan service programs that support children and families in the Greater Metro Albuquerque area.

Even though you're not attending a formal event, by supporting the No Go Gala your impact will absolutely show up where it matters most.

## THE OUTFIT YOU DIDN'T NEED TO BUY
